How to use

For daily maintenance:

Manual: Concentration: 5-10 g / l of water.

Add 2 cups **CITRONETTA** to one bucket (8-10 liters) of water.

Depending on the amount of cleaning required mop once or twice. If necessary, first apply the solution and after allowing a few minutes for it to soak, mop it up. Dirty floors, scrub with a scrubbing brush.

A dash **CITRONETTA** in bio-bin expels unwanted odors.
