

ROGYNET

Versatile, deodorizing cleaner
for water-resistant surfaces in kitchens

- A key feature of **ROGYNET** is the very high resolution and dispersant power relative to fats and oils.
- Highly deodorizing, lime-resistant and gives clear solutions in water of any hardness, the rinsability is very large, so there are no spots or streaks.
- Cleaning kitchens, cafeterias, classrooms, hoods, ovens, stoves, greasy deposits on floors, windows, tables, benches, chairs, woodwork, doors, windows, tiled walls, rubber, pots, pans and other utensils, oil contaminated windows, decks, cabins and pantries.
- **Biodegradable.**

Where to use

Highly concentrated, high foaming, mild alkaline detergent with a fresh citrus scent. **ROGYNET** is an exceptional cleaning compound for use in kitchens, especially for cases where the cleaning operation should be limited as much as possible.

Packing

Box of 2 x 5 liter

How to use

General manual cleaning: 10-50 **ROGYNET** grams per liter of water.
Temp 15 - 30° C. Clean with brush, work cloth or mop. Rinse with clean water.
